I recognize having read the details of this invoice, the sale conditions and warranties. For your insurance claim (if applicable), you also recognized having provided us with your consent for us to collect, use and disclose your personal information, to obtain other specific information relating to the incident that caused the glass damage and forward such information to the insurer indicated on this invoice for investigation, processing and claim settlement purposes.

The adhesive that we use to attach the windshield to the body takes time to set. In order to allow the adhesive to set sufficiently before driving your vehicle, please follow the instructions below:

1. Minimum drive-away time; vehicle should not be driven for at least 30 minutes after installation completed unless technician has stated, in the space below, that a different minimum drive-away time applies.
DO NOT DRIVE THE VEHICLE BEFORE 14:53
2. After the installation, you should not do anything that could interfere with the adhesive setting process such as pushing against, touching or otherwise testing the glass or adhesive.
3. You should not take the vehicle through a car wash for first 24hours after installation. If these instructions are not followed, adhesive might not set or retain glass sufficiently, which could cause accident or damage to vehicle, or increase the risk of injury if vehicle is involved in a collision.

WINDSHIELD INSTALLATION: The warranty is not transferable or redeemable for cash, the installation is warranted against leaks and windshield manufacturing defects. (See the next page.)

SALES CONDITIONS AND WARRANTIES

Authorization

I hereby authorize the work and/or purchase of goods and services referred to on this invoice and agree to pay the total amount referred to herein. Where the work and/or goods and services are covered by an insurance policy, I authorize the Supplier for and on my behalf, to seek the full payment of the amount referred to under "Amount payable by insurer" directly to my insurance company or its authorized representative. I agree that this request for payment is made by Supplier only to accommodate me and in the event that my insurance company or its representative fails to authorize payment of such amount, I agree to pay any unpaid residual amount. Ownership of the goods sold referred to on this invoice remains with Supplier until full payment of this invoice. I agree to pay interest at 1.5% per month (18% per annum) on overdue accounts.

Insurance Declaration

I declare the information contained herein to be true and correct to the best of my knowledge and that the loss or damage did not occur through any willful act, procurement means, or connivance of the undersigned and that the repair or replacement has been completed to my entire satisfaction and hereby authorize my insurance company to make payment directly to Supplier in full settlement of its obligations under my policy for said claim.

Credit Card Authorization

The Issuer of the card identified herein is authorized to pay the amount shown as total upon proper presentation. I promise to pay such total (together with any other charges due thereon) subject to and in accordance with the agreement governing the use of such card.

Warranty Conditions

Subject to the following terms and conditions, this warranty will be honored at all Supplier locations throughout Canada.

Once the invoice is paid in full, Supplier guarantees the work done by its technicians for life:

- Windshield replacements are guaranteed against installation and manufacturing defects and leaks. If such defect occurs, we will provide and install the necessary parts free of charge.
 - Tempered glass windows are guaranteed for one (1) year against manufacturing defects.
 - If a chip cracks after we have repaired it, we will deduct the cost of the repair from the windshield replacement done by us.
 - The recalibration made during your windshield replacement is guaranteed for one (1) year or until the next recalibration event (as determined by the vehicle manufacturer), whichever occurs first.
- HOWEVER, SUPPLIER SHALL NOT BE LIABLE FOR ANY DAMAGES OR DEFECTS CAUSED BY:
- IMPROPER USE, NEGLIGENCE, ALTERATION, ACCIDENT, INTERNATIONAL ACTS, INCIDENT OR ROAD HAZARD,
 - INADEQUATE REPAIR ATTEMPTED OR PERFORMED BY THE CONSUMER OR ANY THIRD PARTY, OR
 - USE OF THE VEHICLE FOR COMPETITIVE PURPOSES.

Where any automobile glass or purchased products fail due to defects in material or workmanship during normal usage during the warranty period specified herein, Supplier shall repair or replace the defective part without charge. If Supplier is unable to make the repair or replacement, Supplier will refund the original purchase price of your warranted product.

To obtain a warranty repair, you must take your vehicle to a Supplier location together with a copy of the original Supplier invoice as proof of purchase and of the warranty certificate. All claims under this warranty must be reviewed for eligibility by a member of the Supplier team. NO REFUNDS OR CREDITS WILL BE GRANTED FOR ANY WORK OR REPAIRS DONE BY THE CONSUMER OR ANY THIRD PARTIES.

Supplier warranties apply only to complete and proper installation and repair. WARRANTIES MAY BE REDUCED OR WITHDRAWN WHEN CUSTOMERS ELECT INCOMPLETE OR IMPROPER INSTALLATION (such as installation over rusting metal, where the customer declined rust repair). Such details will be noted on the front of the invoice. ALL SEALANT WARRANTIES EXCLUDE LIABILITY WHERE LEAKS ARE CAUSED BY RUSTED METAL AND/OR BODY DETERIORATION. This warranty does not cover leakage due to deterioration of the vehicle's bodywork or damage caused by vandalism, theft, natural disaster, unlawful activity, or willful act.

To the extent permitted by law, Supplier's warranty is non-transferable and becomes null and void upon a change in ownership of the vehicle repaired or the product purchased.

Limitations of Liability

THE WARRANTIES DESCRIBED ON THIS INVOICE ARE IN LIEU OF ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, WRITTEN OR VERBAL. SUPPLIER SHALL NOT BE LIABLE TO THE PURCHASER FOR ANY CLAIMS REGARDING FAILURE OR DEFECT OF THE PURCHASED GOODS OR SERVICES RESULTING IN DIRECT OR INDIRECT, INCIDENTAL OR CONSEQUENTIAL, LOSS OR DAMAGES, PERSONAL INJURY OR DEATH. IN NO CASE SHALL THE LIABILITY OF SUPPLIER EXCEED THE PURCHASE PRICE PAID FOR THE GOODS BY THE PURCHASER.

Some provinces do not allow the exclusion or limitation of a warranty or of incidental or consequential damages, so the above limitations and exclusions may not apply to you. This warranty gives you specific legal rights and you may also have additional rights, which vary from province to province. The terms and conditions contained herein do not limit or otherwise diminish any rights to which you may be entitled under consumer protection legislation in any province.
