Recall #: N202314670 | Front Center Seat Belt May Not Be Attached Recall Date: 2020 Dec 17

Recall Description

General Motors has decided that a defect which relates to motor vehicle safety exists in certain 2019 – 2021 model year Chevrolet Silverado 1500 and GMC Sierra 1500 vehicles; 2020 – 2021 model year Chevrolet Silverado 2500/3500 and GMC Sierra 2500/3500 vehicles; and certain 2021 model year Chevrolet Suburban, Tahoe, and GMC Yukon XL vehicles equipped with a front-row center seating position. In these vehicles, the seat supplier may have failed to secure the seat-belt brackets to the seat frame in the front-row center seating position. If a seat-belt bracket is not secured, the seat belt may not properly restrain an occupant in the front-row center seat position, increasing the risk of occupant injury in a crash or high-speed braking event.

Remedy

Dealers will inspect left-side and right-side front-row center seat-belt bracket attachments and reassemble if necessary.

ICBC Disclaimer

The information supplied by ICBC is a report of the vehicle's status and the vehicle's claims history. Vehicle status shows whether a vehicle is qualified to be licensed and is used to track:

- vehicles sold by insurance companies as salvage
- salvage vehicles which have been rebuilt, inspected, and relicensed
- wrecked vehicles that have been decommissioned and can only be resold for parts

The vehicle status may not represent the vehicle accurately for a number of reasons, including a written-off vehicle that hasn't been reported to the B.C. vehicle registry or a vehicle with major damage that was repaired by its owner. The vehicle claims history is a report of vehicle damage and includes repairs paid by ICBC and outstanding damage estimates. It may be incomplete for various reasons, including the owner did not make a claim to ICBC or ICBC has denied the claim. In addition, the estimate information may not necessarily reflect the actual cost of repairs, list the area of the vehicle that sustained the greatest force of impact, or indicate the primary area of damage.

Consumers are encouraged to read ICBC's full statement of limitations at <http://apps.icbc.com/registration/vchr/Limitation.html>.

ICBC recommends the vehicle be inspected by a qualified mechanic to obtain a more complete assessment of the vehicle's condition.

Neither CARFAX Canada nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle that is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada.
