-  Saturday, November 1st 2025, 6:46 PM [MDT -06:00]

New Section

- Date  November 1, 2025
- Name  Rob Martin
- Unit#  EX-07 [350GLC]
- Type of work Completed  Hyd pumps

New Section

- Work Completed  Install 2 new pumps and 1 pilot pump
- Parts Used  3 pumps and all new o -ring seals
- Work Still Required  This work is completed now.
Install track, install stick cylinder, fill hyd system, test repair, install pans, prep for shipping and wash unit. Install new hyd tank suction screen and bleed pumps again as they seemed to have airlocked over night
- work orders  No Response
