I recognize having read the details of this invoice, the sale conditions and warranties on the last page of the present invoice. For your insurance claim (if applicable), you also recognized having provided us with your consent for us to collect, use and disclose your personal information, to obtain other specific information relating to the incident that caused the glass damage and forward such information to the insurer indicated on this invoice for investigation, processing and claim settlement purposes.

Customer Signature:

Date

The adhesive that we use to attach the windshield to the body takes time to set. In order to allow the adhesive to set sufficiently before driving your vehicle, please follow the instructions below:

1. Minimum drive-away time; vehicle should not be driven for at least 1hr after installation completed unless technician has stated, in the space below, that a different minimum drive-away time applies.
