Saskatchewan VIN search

Please note: We're having technical issues adding the Extent of Loss and Appraised Damage Amount to some vehicles involved in a loss after April 1, 2025. For a comprehensive VIN search, we recommend using the Cross-Canada VIN Search. Thank you for your patience and understanding as we work on this issue.

The Saskatchewan VIN search is free to use. This service looks up the vehicle's VIN and gives the following information:

- vehicle's Saskatchewan status (if any)
- most recent Saskatchewan registration expiry date
- extent of loss and appraised damage amount may not be accurate for some claims history after April 1, 2025
- damage claims history in Saskatchewan (since Nov. 1, 2002)
- if the Saskatchewan PST has been paid or is still owing

The search only brings up damages appraised by SGI claims since Nov. 1, 2002.

Note: To check for liens against the vehicle visit the Information Services Corporation (ISC) website or contact ISC at 1-866-275-4721.

- is reported stolen,

- is a total loss vehicle (or has a loss reported after April 1, 2025), or

- can't be registered at all.

You can also do a [Canadian Police Information (CPI) Centre national search](#) to find out if the vehicle has a stolen status.
