The Saskatchewan VIN search is free to use. This service looks up the vehicle's VIN and gives the following information:

- vehicle's Saskatchewan [status](#) (if any)
- most recent Saskatchewan registration expiry date
- extent of loss and appraised damage amount may not be accurate for some claims history after April 1, 2025
- damage claims history in Saskatchewan (since Nov. 1, 2002)
- if the [Saskatchewan PST](#) has been paid or is still owing

The search only brings up damages appraised by SGI claims since Nov. 1, 2002.

**Note:** To check for liens against the vehicle visit the [Information Services Corporation \(ISC\) website](#) or contact ISC at 1-866-275-4721.

Use the [Cross-Canada VIN](#) search if you want to find out, if a vehicle:

- needs an inspection,
- is reported stolen,
- is a total loss vehicle (or has a loss reported after April 1, 2025), or
- can't be registered at all.

You can also do a [Canadian Police Information \(CPI\) Centre national search](#) to find out if the vehicle has a stolen status.

Always find out the [history of any vehicle purchased from the U.S.](#)
