## Invoice Notes

Investigate coolant leak for possible water pump failure, found water pump to be ok. Coolant leak coming from top radiator hose. Drained coolant, removed old and fit new top radiator hose housing with new clamps. Refill radiator with reclaimed coolant. Wash all coolant residual off side of engine. Pressure test cooling system to verify repairs. Remove and test batteries, 1 x battery boiled and remaining batteries in ordinary state. Tried to source 4 new batteries but only 1 battery available in town. Replaced faulty battery, cleaned up all connections. Returned vehicle to service.

Please ensure payment is made within our Trading Terms.  
All Time Diesel Pty Ltd BSB: 064 704 Account #: 1039 7721

## Vehicle History Summary

BJC Heavy  
Haulage

Fleet #	P7
Registration	XB25KJ
Make	PETERBILT
