

Certificate of Enrolment

Enrolled Operator

Certificate Number: TTD00000478

Date of issue: 18/11/2021

Transport Operator Name:

Brooks Logistics

Application(s): TMA

Scheme(s): Higher Mass Limits Scheme - Transport for NSW

Vehicle Registration Number: XV51UD

PBS Approval Number: (if applicable)

Application Service Provider: Navman Wireless Australia Pty Ltd

Note:

1. This Certificate of Enrolment indicates that the vehicle was enrolled by the transport operator in the application and scheme(s) at the date of issue.
2. The Certificate of Enrolment does not guarantee that the vehicle continues to be enrolled in the application and scheme(s).
3. This Certificate of Enrolment is not transferable.
4. The Application Service Provider is responsible for providing an updated Certificate of Enrolment whenever the Transport Operator requests a change to any details contained on this Certificate. The Transport Operator must not operate the Vehicle under the listed scheme(s) until a new Certificate of Enrolment has been received from the Application Service Provider.

The scheme(s) of the application named in this certificate of enrolment are available through the National Telematics Framework. See tca.gov.au/ntf for more information, or contact TCA on (03) 8601 4600.
