Warranty History

*Only those User IDs that have been properly registered in ER (Employee Registration) as a Warranty Admin will be able to view claim dollar information for their respective dealer accounts/locations. DYYs need to be setup properly in ER. For each dealer account and location code, each User ID that is allowed to access Warranty Claim History needs to be setup in ER with the Employee Position of: Warranty Administrator. CYYs will no longer be able to view claim dollar information on ISIS. CYYs need to use DDEW (or iClaim after it is released).

There is no Warranty History Information to display for this vehicle.
