****Winter Check Over****

CUSTO COMPLAINT

Complete check over and hand in. No pickup.

CAUSE:

CORRECTION:

plugged the combine in the night before
went to start it and the battery was dead
charged up the battery brought it inside
removed the clean out doors on the bottom of the combine
loosened off the belts to check the belt condition and
check the tensioners, idler bearings
some belts have big cracks in them and need to be replaced
checked the chopper bearings
loosened off the feeder chain to check the top sprocket and
top splined for wear
checked all the chains on the combine and found most of
them needing to be replaced
inspected the tailings paddles for play and check the
bearings
as well as cracks/holes on the housing
checked the cone for holes and wear, it is wore through
again and was welded before

I hereby authorize the above work to be done along with the use of any necessary materials. I agree that Redhead Equipment ("RE") may access and utilize any electronic data stored or available on the machine including remote access, for the purpose of diagnosing, repairing, or servicing the machine or its components. RE will not be responsible for any costs incurred resulting from software updates and/or diagnostics to a modified system. RE and its employees may operate the above machine for the purposes of inspection, testing or delivery at my sole risk. I agree to pay cash prior to redelivery of the machine or on terms satisfactory to RE until paid in full. Registration of a commercial lien is acknowledged on the above machine to secure the amount of repairs thereto. It is understood that RE assumes no responsibility for loss or damage by theft or fire to any machine placed with them for storage, sale, repair or while field testing. Special order and electrical parts are not returnable. Any stocking parts returned after 30 days will be subject to a 15% restocking charge. RE cannot accept any part returns on weekends or after hours. Part returns are not accepted after one year from the original invoice date. All part returns require the original invoice and packaging. No title passes on purchased machines until the applicable invoice is paid in full. 2% per month will be charged on all overdue accounts (24% per annum). Parts & Service are net 30 days. Whole goods and rental payments are due on delivery.

removed a coupe concaves to inspect for damage and wear
only had one little piece broken and I bent it back and
welded it
then I tensioned the belts and put my shields back on once
it was melted off
ran the combine outside went trough all the rotor speeds
and gears
sieves and fan speed
and checked everything else then brought it back inside and
pulled the sieves top and bottom sieves cleaned off the
edges and checked all the wires
one was damaged
checked the sieve frame for cracks
checked all the shacked arms and bearings
put the sieves back in and everything else back together
because we were waiting on conformation from the customer

****UNLOAD GEARBOX****

CORRECTION:

2443.29 eng hrs

1985.13 sep hrs

jammed a board so the flighting didn't fall out when

removing the gear box

removed the chain and cover

removed the bolts

jordan helped me drop the gear box down, it took some

prying because it was really stuck in there

drained the watery oil

used the torch and a hammer and punch to free up the bolts

then removed them with the socket

broke my socket in the proses

removed the bearing and shaft

took the cover off removed the inside gear

cleaned out the gearbox and reassembled with a new shaft

removed the pins
removed the driveshaft
removed the feeder house
removed the rock trap cover and the rest of the stuff on
the face of the combine
removed the top half moon cover
removed hooked the fork lift up to the rotor and removed
the bolts
removed the rotor
removed the bolts for the cone
most of the bolts are hard to get to and hard to find
then removed the cone
cut the backs off of some of the bolts and then removed
installed the new cone with the forklift
since it was all apart the vanes were wore out so I
replaced all 11 vanes in the cage
also replaced the drive gear and red lock tight and torqued
the bolt
installed the rotor
installed the rock trap door and the half moon cover
sealed it all up with silicone
installed the feeder house and the pins
installed the pins for the cylinders underneath
swung the hoses and the valve block over and mounted it
installed the drive shaft

I hereby authorize the above work to be done along with the use of any necessary materials. I agree that Redhead Equipment ("RE") may access and utilize any electronic data stored or available on the machine including remote access, for the purpose of diagnosing, repairing, or servicing the machine or its components. RE will not be responsible for any costs incurred resulting from software updates and/or diagnostics to a modified system. RE and its employees may operate the above machine for the purposes of inspection, testing or delivery at my sole risk. I agree to pay cash prior to redelivery of the machine or on terms satisfactory to RE until paid in full. Registration of a commercial lien is acknowledged on the above machine to secure the amount of repairs thereto. It is understood that RE assumes no responsibility for loss or damage by theft or fire to any machine placed with them for storage, sale, repair or while field testing. Special order and electrical parts are not returnable. Any stocking parts returned after 30 days will be subject to a 15% restocking charge. RE cannot accept any part returns on weekends or after hours. Part returns are not accepted after one year from the original invoice date. All part returns require the original invoice and packaging. No title passes on purchased machines until the applicable invoice is paid in full. 2% per month will be charged on all overdue accounts (24% per annum). Parts & Service are net 30 days. Whole goods and rental payments are due on delivery.

I hereby authorize the above work to be done along with the use of any necessary materials. I agree that Redhead Equipment ("RE") may access and utilize any electronic data stored or available on the machine including remote access, for the purpose of diagnosing, repairing, or servicing the machine or its components. RE will not be responsible for any costs incurred resulting from software updates and/or diagnostics to a modified system. RE and its employees may operate the above machine for the purposes of inspection, testing or delivery at my sole risk. I agree to pay cash prior to redelivery of the machine or on terms satisfactory to RE until paid in full. Registration of a commercial item is acknowledged on the above machine to secure the amount of repairs thereto. It is understood that RE assumes no responsibility for loss or damage by theft or fire to any machine placed with them for storage, sale, repair or while field testing. Special order and electrical parts are not returnable. Any stocking parts returned after 30 days will be subject to a 15% restocking charge. RE cannot accept any part returns on weekends or after hours. Part returns are not accepted after one year from the original invoice date. All part returns require the original invoice and packaging. No title passes on purchased machines until the applicable invoice is paid in full. 2% per month will be charged on all overdue accounts (24% per annum). Parts & Service are net 30 days. Whole goods and rental payments are due on delivery.
