I hereby authorize the above work to be done along with the use of any necessary materials. I agree that Redhead Equipment ("RE") may access and utilize any electronic data stored or available on the machine including remote access, for the purpose of diagnosing, repairing, or servicing the machine or its components. RE will not be responsible for any costs incurred resulting from software updates end/or diagnostics to a modified system. RE and its employees may operate the above machine for the purposes of inspection, testing or delivery at my sole risk. I agree to pay cash prior to redelivery of the machine or on terms satisfactory to RE until paid in full. Registration of a commercial lien is acknowledged on the above machine to secure the amount of repairs thereto. It is understood that RE assumes no responsibility for loss or damage by theft or fire to any machine placed with them for storage, sale, repair or while field testing. Special order and electrical parts are not returnable. Any stocking parts returned after 30 days will be subject to a 15% restocking charge. RE cannot accept any part returns on weekends or after hours. Part returns are not accepted after one year from the original invoice date. All part returns require the original invoice and packaging. No title passes on purchased machines until the applicable invoice is paid in full. 2% per month will be charged on all overdue accounts (24% per annum). Parts & Service are net 30 days. Whole goods and rental payments are due on delivery.

 Hydraulic Leak
 Segment has been billed on work order N11108 - 01

SEGMENT# 3 C 02536 NA 05/15/21 05/17/21
 Coolant Leak
CORRECTION:
 Pressurized system and left unit sitting
 Found there was coolant coming from both rad hoses as well
 as the coolant return hoses
 Drained cooling system and replaced return hoses and
 tightened clamps on rad hoses
 Filled cooling system and ran to operating temp
 Topped up coolant and pressurized again
 Found the unit was dropping 5psi over an hour period
 Checked engine oil and found no coolant
 Found no visible external leaks
 Removed seat and found no coolant in heater core area.
 Drained def tank and found no coolant in tank
 Jumped the def heater valve and ran unit to temp to verify

I hereby authorize the above work to be done along with the use of any necessary materials. I agree that Redhead Equipment ("RE") may access and utilize any electronic data stored or available on the machine including remote access, for the purpose of diagnosing, repairing, or servicing the machine or its components. RE will not be responsible for any costs incurred resulting from software updates and/or diagnostics to a modified system. RE and its employees may operate the above machine for the purposes of inspection, testing or delivery at my sole risk. I agree to pay cash prior to redelivery of the machine or on terms satisfactory to RE until paid in full. Registration of a commercial lien is acknowledged on the above machine to secure the amount of repairs thereto. It is understood that RE assumes no responsibility for loss or damage by theft or fire to any machine placed with them for storage, sale, repair or while field testing. Special order and electrical parts are not returnable. Any stocking parts returned after 30 days will be subject to a 15% restocking charge. RE cannot accept any part returns on weekends or after hours. Part returns are not accepted after one year from the original invoice date. All part returns require the original invoice and packaging. No title passes on purchased machines until the applicable invoice is paid in full. 2% per month will be charged on all overdue accounts (24% per annum). Parts & Service are net 30 days. Whole goods and rental payments are due on delivery.
