TRACTORLAND TRAILERS

Date: _____

Trailer VIN: _____

By signing below, I acknowledge that I have been made aware of procedures pertaining to warranty claims on the above described trailer. I agree to follow all procedures as set out by the manufacturer. I acknowledge it is my responsibility to find out what those procedures are and to first gain approval from the manufacturer before having any work done that I expect to be reimbursed for under the manufacturer's warranty.

I acknowledge and agree that Tractorland Trailers is only responsible for warranty work and/or parts as approved by the manufacturer of this trailer and that the decision as to what is covered under warranty lies solely with the manufacturer of this trailer.

I also understand that the trailer I have just purchased needs to have the tires retorqued as per the manufacturer's specifications.

The tires should be set at _____ PSI

Then wheel nuts are torqued to _____ FT PSI

These have been checked during our pre-delivery inspection and as such Tractorland Trailers has no liability once the trailer has left our yard. These requirements have been clearly explained to me and I fully understand all implications.
