Item	Description	Quantity	Rate	Amount
------	-------------	----------	------	--------

Complaint: Troubleshoot and Repair AWD issue

Cause: Customer request

Labor	Correction:	2.00000	\$150.00	\$300.00
-------	--------------------	---------	----------	----------

Equipment / Hydraulics / Start machine warm up, run machine to see what issue is, lift front up and L.H wheel goes in revers when going in forward, shift to reverse and wheel goes forward, check hoses and found hoses are on backwards remove cover on front of grader, loosen hoses so they can turn, remove hoses on motor and swap around, reinstall hoses and tighten other ends test grader and everything is working right. - 7/4/2022

Subtotal \$300.00

Complaint: Troubleshoot and Repair AWD speed sensor codes

Cause: Customer request

(Inspection)

Labor	Correction:	4.00000	\$150.00	\$600.00
-------	--------------------	---------	----------	----------

Transmission / Hydrostatic Components / Plug into machine and check codes found R.H. and L.H. speed sensor codes for drive motors, order sensors and harness's, pick up parts, remove both harness and test, the L.H. one has open wires and the R.H. pulled apart upon removal, install new harness's and route plug in and test still no speed, replace both speed sensors and test everything is working right now, reinstall guards and test machine everything is all good for reading speeds, clear all codes on machine. - 7/4/2022

Subtotal \$600.00
