ENGINE SERVICE

- Change oil, oil filter, fuel filter, inspect and clean the air filter

TRANSMISSION OIL LEAK

- Diagnose leak, repair, top up transmission oil

GENERAL REPAIRS

- Install used blower intake hatch cover
- Install two used back rests for jump seats in front car
- Front car driver's door hinges replaced with used parts, replace handle/locking mechanism with used
- Replace passenger side windshield
- Repair windshield washer system, replace washer fluid hose, install used washer fluid reservoir

BRAKE SYSTEM

- Full brake system inspection
- Master cylinder leaking, not repairable, replace with new master cylinder
- Replace brake pads
- Test drive and function test brakes: PASSED

FRONT POWERTRAIN

- Front diff is not working, not supplying power to front tracks
- Remove winch, discover it is missing a fair amount of fastening hardware and some of what it has is non sufficient "farmer fixes"
- Remove differential, discover the intermediate drive shaft and diff hub (sleeve) are rounded off
- Replace drive shaft with good used part, replace bearing and circlip with new, replace diff hub with new part
- Replace studs fixing differential as old were worn out
- Test drive/function test: FAIL
- Remove diff, disassemble, inspect
 - After thorough inspection no broken or worn out parts, made adjustments to eliminate the small amount of play discovered
- Reassemble diff, reinstall diff
- Test drive/function test: PASSED
- Reinstall winch

FRONT LEFT RAIL

- R&R Track
- R&R both drive sprockets
- INSIDE
 - R&R #1,#2 bearings, seals, caps
 - R&R #5 wheel + repair kit

I promise to pay the amount due upon completion of the work. I acknowledge the lien of the operator for the value of work done and materials supplied whether the vehicle is in PRESTIGE HAGG-MOG ATV LTD possession or not, the right to take possession of vehicle, hold it or sell it in order to recover the unpaid cost.
