Customer Comments

Transmission is currently in limp mode with codes present. The customer has replaced the valve body and solenoid pack; however, one code is still active.

Thank you for your recent visit. If you enjoyed your service, please consider leaving us a review when you have a moment.	
Joe Salerno	8/19/2026 2:25 PM MDT
Thank you for your business! Please bring the vehicle back to us after approximately 1,000 km so we can carry out a quick follow-up inspection.	
We'll perform a leak check, road test, and code scan to make sure everything is working as it should. There is no charge for this service, and it only takes around 15 minutes.	
Thanks again!

Joe Salerno

8/19/2026 1:46 PM MDT

when can you bring the valve body in for us to have a look at, your truck is just on its second road test and should be ready to collect this afternoon.

Joe Salerno

8/18/2026 9:05 AM MDT

ive just seen authorization, we will get working on your truck as soon as we can

Joe Salerno

8/18/2026 9:05 AM MDT

I have sent the updated work order. If you could please review and sign it, I can get the work underway as soon as possible.

If you're having any trouble signing, please just reply to this message to confirm that you have reviewed the estimate and are happy for us to proceed with the work.

Thank you!
