Warranty Tracking No.

THE ABOVE NAMED SHOP IS THE WARRANTOR and represents itself as a Member in good standing of the Automatic Transmission Rebuilders Association (ATRA), a non-profit trade association. ATRA does not rebuild, nor does it warrant transmissions or the work of its member shops. Association members rebuild and warrant their own work and transmissions. ATRA acts on behalf of its members to provide educational and other services, including the endorsement of the Golden Rule Warranty Program. All Association members have pledged to honor this Golden Rule Warranty, provided the warrantor is an ATRA Member in good standing. The automatic transmission work described on work order # 8773 and not including any other materials or labor or any other components or parts of the vehicle, is warranted to the buyer (name below) against failure by defects in workmanship and material for 1 year or 12,000 Miles/20,000 Kilometers (\*whichever occurs first) by the warrantor named above; if later repair on parts or labor purchased is necessary within the time and distance specified and the terms of the warranty, then it will be provided without charge to the buyer, within the limits of this warranty at the warrantor's shop.

**OUT OF TOWN SERVICE:** If distance prevents you from returning to the warrantor shop, and you wish to receive repairs under the terms of this warranty, then CONTACT THE ORIGINATING WARRANTOR shop who will help you locate an ATRA member Golden Rule participating shop or GO ONLINE at [www.atra.com](http://www.atra.com) to locate a member shop or CALL ATRA at (866) GO-4-ATRA. Take your car there and have THAT SHOP CALL the warrantor before the problem is diagnosed. If a problem exists with the work warranted under the terms of this form the SHOP MUST AGAIN CALL THE WARRANTOR FOR AUTHORIZATION TO MAKE ANY NECESSARY REPAIRS OR REPLACEMENT. Failure to receive the warrantor's authorization prior to any repair work will invalidate the warranty claim. If you have any questions concerning this warranty or the work to be performed then contact the warrantor. (WARRANTY WORK CAN ONLY BEGIN AFTER THE VEHICLE, THIS WARRANTY, AND THE ORIGINAL REPAIR ORDER ARE PRESENTED TO THE REPAIRING SHOP AND AUTHORIZATION IS RECEIVED FROM THE WARRANTOR.) Warrantor reserves the unqualified right to refund the full amount originally charged in lieu of all claims otherwise due a claimant under the terms of this warranty.

**CUSTOMER NOTICE:** It is recommended that the operation of this transmission be checked within 15 days after the installation. Note: The vehicle's odometer must be working properly to keep this warranty in force. Customer Initial \_\_\_\_\_
