**Privacy Policy:** Personal information is collected in accordance with applicable privacy legislation and is governed by Zarowny Motor's Privacy Policy. Your privacy is important to us. Ask us if you would like information about our Privacy Policy, including our service providers and their data processing in the U.S., which may be accessible to U.S. law enforcement and national security authorities.

We provide this personal and transaction information to Ford Motor Company of Canada, Limited to enable Ford to administer your transaction, provide you with requested services, improve automotive related products and services by conducting customer surveys, and provide you with marketing material which may be of interest to you, as permitted by applicable laws. For the Ford Privacy Policy ([www.ford.ca](http://www.ford.ca)) including use of service providers and U. S. data storage or if you do not want to receive marketing or survey materials from Ford, please call 1-800-565-FORD (3673).

I hereby authorize the repair work herein set forth to be done along with the necessary material and agree that to the extent permitted by law, you are not responsible for loss or damage to vehicle in case of fire, theft or any other cause beyond your control or for any delays caused by unavailability of parts or delays in part shipments by the supplier or transporter. I hereby grant you and/or your employees permission to operate the vehicle herein described on streets, highways, or elsewhere for the purpose of testing and/or inspection, until payment in full of the within account. I hereby acknowledge the existence of a mechanic's lien in favor of the within dealer on the vehicle described herein in respect of the material supplied and services rendered under this work order for the full amount charged therefore. I further acknowledge that the said lien shall continue in force at all times whether the vehicle is in my possession or possession of the dealer, until the within account is paid in full. While the vehicle is in my possession it shall at all times be subject to repossession on demand by the dealer until the within account is paid in full.

I authorize the installation of computer programs and available updates or upgrades to vehicle computer programs (in accordance with Ford bulletins). These updates or upgrades may affect data or settings I have stored on my vehicle and agree that you are not responsible in that case. Ask us for more information or to withdraw consent.

S. data storage or if you do not want to receive marketing or survey materials from Ford, please call 1-800-565-FORD (3673).

I hereby authorize the repair work herein set forth to be done along with the necessary material and agree that to the extent permitted by law, you are not responsible for loss or damage to vehicle in case of fire, theft or any other cause beyond your control or for any delays caused by unavailability of parts or delays in part shipments by the supplier or transporter. I hereby grant you and/or your employees permission to operate the vehicle herein described on streets, highways, or elsewhere for the purpose of testing and/or inspection, until payment in full of the within account. I hereby acknowledge the existence of a mechanic's lien in favor of the within dealer on the vehicle described herein in respect of the material supplied and services rendered under this work order for the full amount charged therefore. I further acknowledge that the said lien shall continue in force at all times whether the vehicle is in my possession or possession of the dealer, until the within account is paid in full. While the vehicle is in my possession it shall at all times be subject to repossession on demand by the dealer until the within account is paid in full.

I authorize the installation of computer programs and available updates or upgrades to vehicle computer programs (in accordance with Ford bulletins). These updates or upgrades may affect data or settings I have stored on my vehicle and agree that you are not responsible in that case. Ask us for more information or to withdraw consent.

<b>Engine</b>	6.7L 4V OHV POWER STROKE V8			

**Cause** Test drove, steering seems to pull/drift right goind to airport but straight on the way bak. steering wheel shake and tire vibration. steering shock might be weak and steering wheel jumps hitting a bump. tires noisy-wear?  
Transmission seems to have a slight flare shifting into 3rd and 5th.  
lights have left rear plate light inop. left rear seat belt buckle inop-most likely buckle.  
A/C working. compressore engaging and staying ingaged for some time. not low on refridgerant.  
Upper oil pan has a leak. looks like has been for some time. a drier leak not extreme yet.  
Transfer rear case output seal has slight leak.  
rear diff pinion flange to pinion leaking at nut area. unusual leak.  
Checked steering shock and needs one. not leaking but a large no hydraulic pressure zone present.  
front end check has track bar joing having a thump in it. upper drag link needs a bit further inspection. some play. aftermarket moog installed. front brakes at 2mm on left inner pad. outter pad siezed in bracket. right side not removed.  
checked upper drag link joint after knocking it off of pitman arm and it's ok.  
Checked track ber ball joint after knocking off of front diff housing. it's not failed completly but is getting light on resistance.  
Noist from both rear rotors to park brakes or backing plates. rotors siezed to hubs, soaking with pen fluid right now.  
removed both rear rotors. they are rubing on backing plates/dust shields but cannot find witness marks only can fell them rubbing. hopefully knocking rust edges off fixes. left rear inner rotor surface is getting more rusted and will start flaking. scbing off soon.  
Checked left rear plate light and power and ground present to bulb socket. bulb is stuck/very hard to remove from socket. can see terminals for bulb not in correct spots. needs bulb and socket.  
After checking rotors, left front is below discard thickness.

**Correction** .

Technician	2331 -	Request Sub-total		125.00

Cause VIBRATION IN FRONT END

Correction TECH TOOK ALL 4 TIRES TO BE BALANCED. TECH FOUND ALL 4 TIRES WHERE OUT OF BALANCE AND THAT THEY MAY NEED TO BE ROTATED 180 TO SEE IF IT WOULD HELP ANY OF THE 4 TIRES AND IT DID FOR THE REARS ONLY. FRONT 2 TIRES BOTH TOOK EXCECIVE AMOUNTS OF WEIGHTS 1X FRONT TIRE TOOK 11 OZ ON THE INSIDE AND 2.75 ON THE HAMMER SIDE. TECH HAD NO OTHER CHOICE THAN TO PUT ON THAT AMOUNT. THE SECOND FRONT TIRE TOOK 4.75 ON BOTH SIDES NOT TOO BAD HOWEVER NOT WHERE IT SHOULD BE AT. TECH NOTE THAT FRONT TIRES ARE NOT ROTATED AND ARE AT THE REAR OF THE TRUCK AND VIS VERSA FOR THE REARS. TECH BELIVES THAT THE TIRES ITSELF ARE THE ISSUES HOWEVER IS STILL NOT 100% SURE THAT IT IS THE ONLY CAUSE FOR THAT VIBRATION AND OR EXCESIVE WEIGHT.

For the Ford Privacy Policy ([www.ford.ca](http://www.ford.ca)) including use of service providers and U. S. data storage or if you do not want to receive marketing or survey materials from Ford, please call 1-800-565-FORD (3673).

I hereby authorize the repair work herein set forth to be done along with the necessary material and agree that to the extent permitted by law, you are not responsible for loss or damage to vehicle in case of fire, theft or any other cause beyond your control or for any delays caused by unavailability of parts or delays in part shipments by the supplier or transporter. I hereby grant you and/or your employees permission to operate the vehicle herein described on streets, highways, or elsewhere for the purpose of testing and/or inspection, until payment in full of the within account. I hereby acknowledge the existence of a mechanic's lien in favor of the within dealer on the vehicle described herein in respect of the material supplied and services rendered under this work order for the full amount charged therefore. I further acknowledge that the said lien shall continue in force at all times whether the vehicle is in my possession or possession of the dealer, until the within account is paid in full. While the vehicle is in my possession it shall at all times be subject to repossession on demand by the dealer until the within account is paid in full.

I authorize the installation of computer programs and available updates or upgrades to vehicle computer programs (in accordance with Ford bulletins). These updates or upgrades may affect data or settings I have stored on my vehicle and agree that you are not responsible in that case. Ask us for more information or to withdraw consent.

Cause	Scanned and dtc's and p02e9 present for intake air flow A position sensor circuit high, this is throttle plate in intake for egr flow. not diaged. p21cd for reductant quality module supply voltage lowand u02a2 for lost communication with reductant module, p21dd for reductant heater A current too low. thses are due to broken wire at reductant quality module and overheated terminals on reductant pump heater/wiring harness. tsb 23-2161 is for this and needs harness and reductant pump/harness.							
	diaged p02e9 for throttle plate. using ppt AX, found voltage on pin 5 of throttle plate connector. this was with roda deaco throttle stop. without wiring checks out correctly. module of the roda deaco smells like it is bad. opened and it seems ok. phoned company. was goind to phone mechanic of the compant bt rechecked wiring. found that ground supply for module NOT hooked up and positive hooked up incorrectly. with ground hooked up there is no voltage on pin 5 for pcm throttle sensor.

**Privacy Policy:** The personal information collected on this form and on other documents relating to this transaction is collected in accordance with applicable privacy legislation and is governed by our privacy policy. Most of the personal information which we collect or disclose is necessary for us to sell or lease your vehicle, to provide products and services related to the vehicle, assist you in the financing or lease of your vehicle, or to provide you service to your vehicle, and we cannot do this without that personal information. We may also use or disclose your personal information to provide you with updates and information regarding products and services that we have to offer and which we think will be of interest to you. By providing your information to us, you consent to the uses. You may notify us in writing if in the future you do not consent to any of these uses of the information you provide.  
**Terms:** Goods returned for credit must be in resalable condition and must be accompanied by this invoice. No credit on electrical parts. 10% handling charge on all goods and services returned. All parts must be returned within 30 days in original cartons. Service charge of 2% per month (24% per annum) charged on overdue accounts.

The health of our clients and employees is of utmost importance to all of us at Koch Ford. We have implemented enhanced vehicle disinfecting steps in an attempt to reduce the spread of COVID19. All key driver touch points will be disinfected several times during your visit to Koch Ford including prior to returning the vehicle to you.
