2	Labour Drove to your shop and picked up laptop and HP Tuners device then went to Ritchie Bros in Nisku to have a look at the truck. Scanned for codes and found multiple turbo actuator codes. Performed turbo actuator relearn. Engine codes then cleared but service emissions message was still displayed on the dash. Flashed in an emissions reset tune in order to clear the message then reinstalled the tune. Service emissions message and trouble codes did not return. Returned to shop and returned laptop and HP Tuners device.	3.00	100.00	300.00
