Replace left steering cyl bushings-wont take grease  
CUSTO COMPLAINT

CAUSE:

CORRECTION:

Unbolt outer steering cylinder and set aside. Old bushing falls out. Replacement bushing has little resistance when installed indicating the bore is excessively worn requiring replacement. Jack up and secure machine with stand. Remove left front wheel. Remove fender. Remove brake caliper and brake disc. Support entire left front drive assembly. Unbolt crop divider frame. Unbolt steering arm, remove bolts. Remove spindle retainer bolt. Lower entire drive assembly down and off of pivot shaft. Remove steering arm. Install seal into replacement steering arm. R&R pivot bushing. Install new steering arm onto drive assembly. Secure assembly in place with chains, install bottom shims, retainer plate, bolt and torque to spec. Install brakes, fender and hydraulic support bracket. Install new bushing into steering arm. Install steering cylinder. Extend axle. Remove and replace inner steering uniball bushing. Install wheel and torque to spec.

Repair left fr planetary has lots of metal flakes in oil

### CUSTO COMPLAINT

-Also repair leaks at front left wheel motor.

### CAUSE:

### CORRECTION:

Remove planetary cover and drain oil. Disassemble outer gear and bearing sets to inspect for damage/wear. Mark all parts during disassembly. Remove and inspect input shaft and coupler, shows very minor wear. Inspect and measure brake friction plate stack, all wear is minor and friction material wear is even. Input shaft and coupler are installed. Outer planetary set shows no damage but normal to high regular wear. Remove bearing and mark shims. Clean and inspect bearing, shows minor wear but well

I hereby authorize the above work to be done along with the use of any necessary materials. I agree that Redhead Equipment ("RE") may access and utilize any electronic data stored or available on the machine including remote access, for the purpose of diagnosing, repairing, or servicing the machine or its components. RE will not be responsible for any costs incurred resulting from software updates and/or diagnostics to a modified system. RE and its employees may operate the above machine for the purposes of inspection, testing or delivery at my sole risk. I agree to pay cash prior to redelivery of the machine or on terms satisfactory to RE until paid in full. Registration of a commercial lien is acknowledged on the above machine to secure the amount of repairs thereto. It is understood that RE assumes no responsibility for loss or damage by theft or fire to any machine placed with them for storage, sale, repair or while field testing. Special order and electrical parts are not returnable. Any stocking parts returned after 30 days will be subject to a 15% restocking charge. RE cannot accept any part returns on weekends or after hours. Part returns are not accepted after one year from the original invoice date. All part returns require the original invoice and packaging. No title passes on purchased machines until the applicable invoice is paid in full. 2% per month will be charged on all overdue accounts (24% per annum). Parts & Service are net 30 days. Whole goods and rental payments are due on delivery.

Repair RH fencerow solenoid is not working

### CUSTO COMPLAINT

#### CAUSE:

#### CORRECTION:

Test resistance at solenoid. Compare to same one on left side and on a different machine and all measure within 0.3 ohms. Power and ground good on both sides. Blow out hose leading to nozzle and the nozzle itself and find it to be spraying fine. Activate both left and right side solenoids. When disconnecting and reconnecting the left side could be

I hereby authorize the above work to be done along with the use of any necessary materials. I agree that Redhead Equipment ("RE") may access and utilize any electronic data stored or available on the machine including remote access, for the purpose of diagnosing, repairing, or servicing the machine or its components. RE will not be responsible for any costs incurred resulting from software updates and/or diagnostics to a modified system. RE and its employees may operate the above machine for the purposes of inspection, testing or delivery at my sole risk. I agree to pay cash prior to redelivery of the machine or on terms satisfactory to RE until paid in full. Registration of a commercial lien is acknowledged on the above machine to secure the amount of repairs thereto. It is understood that RE assumes no responsibility for loss or damage by theft or fire to any machine placed with them for storage, sale, repair or while field testing. Special order and electrical parts are not returnable. Any stocking parts returned after 30 days will be subject to a 15% restocking charge. RE cannot accept any part returns on weekends or after hours. Part returns are not accepted after one year from the original invoice date. All part returns require the original invoice and packaging. No title passes on purchased machines until the applicable invoice is paid in full. 2% per month will be charged on all overdue accounts (24% per annum). Parts & Service are net 30 days. Whole goods and rental payments are due on delivery.
