## Open Recalls

Recall #: CAN213 | 213 - Remedy Notice - Certain 2005-2011 model year Tacoma (Access Cab) - Front Seat Belt

Recall Date: 2013 Aug 07

### Recall Description

The seat belt assemblies for the driver and front passenger are mounted inside the access doors (rear doors) of the subject vehicles. The screws that attach the seat belt pre-tensioner to the seat belt retractor within the seat belt assembly can become loose over time due to repeatedly and forcefully closing the access door. If the screws loosen completely, the seat belt pre-tensioner and the retractor spring cover

could detach from the seat belt retractor. If this condition occurs, the seat occupant may not be properly restrained, increasing the risk of injury in the event of a crash, sudden stop or rollover event.

### Remedy

Any Toyota dealership will inspect the seat belt assembly. Based on the inspection, the seat belt assembly may be replaced or new pretensioner screws will be installed with thread-locking sealant to prevent loosening of the screws.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact TOYOTA or visit [Toyota's website](https://www.toyota.ca/toyota/en/owners/recalls). (<https://www.toyota.ca/toyota/en/owners/recalls>)

This vehicle history report is compiled from multiple data sources. It is not always possible for CARFAX Canada ULC or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brands, registrations, declarations, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to this vehicle are not reflected in this report. CARFAX Canada and its source data providers receive data and information from external sources believed to be reliable, but no responsibility is assumed by CARFAX Canada, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and CARFAX Canada and its source data providers further expressly disclaim all warranties, express or implied, including any warranties of timeliness, accuracy, merchantability, merchantable quality or fitness for a particular purpose regarding this report or its contents. Neither CARFAX Canada nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle that is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car. By obtaining, reviewing and/or using this vehicle history report, you agree to be bound by all of the terms and conditions in CARFAX Canada's Conditions of Use and any CARFAX Canada End User Licence Agreements as each may be amended from time to time by CARFAX Canada.
