REPAIR CLEAN GRAINS CROSS AUGER COVER

CONTINUED ON PAGE 02

I hereby authorize the above work to be done along with the use of any necessary materials. I agree that Redhead Equipment ("RE") may access and utilize any electronic data stored or available on the machine including remote access, for the purpose of diagnosing, repairing, or servicing the machine or its components. RE will not be responsible for any costs incurred resulting from software updates and/or diagnostics to a modified system. RE and its employees may operate the above machine for the purposes of inspection, testing or delivery at my sole risk. I agree to pay cash prior to redelivery of the machine or on terms satisfactory to RE until paid in full. Registration of a commercial lien is acknowledged on the above machine to secure the amount of repairs thereto. It is understood that RE assumes no responsibility for loss or damage by theft or fire to any machine placed with them for storage, sale, repair or while field testing. Special order and electrical parts are not returnable. Any stocking parts returned after 30 days will be subject to a 15% restocking charge. RE cannot accept any part returns on weekends or after hours. Part returns are not accepted after one year from the original invoice date. All part returns require the original invoice and packaging. No title passes on purchased machines until the applicable invoice is paid in full. 2% per month will be charged on all overdue accounts (24% per annum). Parts & Service are net 30 days. Whole goods and rental payments are due on delivery.

I hereby authorize the above work to be done along with the use of any necessary materials. I agree that Redhead Equipment ("RE") may access and utilize any electronic data stored or available on the machine including remote access, for the purpose of diagnosing, repairing, or servicing the machine or its components. RE will not be responsible for any costs incurred resulting from software updates and/or diagnostics to a modified system. RE and its employees may operate the above machine for the purposes of inspection, testing or delivery at my sole risk. I agree to pay cash prior to redelivery of the machine or on terms satisfactory to RE until paid in full. Registration of a commercial lien is acknowledged on the above machine to secure the amount of repairs thereto. It is understood that RE assumes no responsibility for loss or damage by theft or fire to any machine placed with them for storage, sale, repair or while field testing. Special order and electrical parts are not returnable. Any stocking parts returned after 30 days will be subject to a 15% restocking charge. RE cannot accept any part returns on weekends or after hours. Part returns are not accepted after one year from the original invoice date. All part returns require the original invoice and packaging. No title passes on purchased machines until the applicable invoice is paid in full. 2% per month will be charged on all overdue accounts (24% per annum). Parts & Service are net 30 days. Whole goods and rental payments are due on delivery.

I hereby authorize the above work to be done along with the use of any necessary materials. I agree that Redhead Equipment ("RE") may access and utilize any electronic data stored or available on the machine including remote access, for the purpose of diagnosing, repairing, or servicing the machine or its components. RE will not be responsible for any costs incurred resulting from software updates and/or diagnostics to a modified system. RE and its employees may operate the above machine for the purposes of inspection, testing or delivery at my sole risk. I agree to pay cash prior to redelivery of the machine or on terms satisfactory to RE until paid in full. Registration of a commercial lien is acknowledged on the above machine to secure the amount of repairs thereto. It is understood that RE assumes no responsibility for loss or damage by theft or fire to any machine placed with them for storage, sale, repair or while field testing. Special order and electrical parts are not returnable. Any stocking parts returned after 30 days will be subject to a 15% restocking charge. RE cannot accept any part returns on weekends or after hours. Part returns are not accepted after one year from the original invoice date. All part returns require the original invoice and packaging. No title passes on purchased machines until the applicable invoice is paid in full. 2% per month will be charged on all overdue accounts (24% per annum). Parts & Service are net 30 days. Whole goods and rental payments are due on delivery.

I agree that Redhead Equipment ("RE") may access and utilize any electronic data stored or available on the machine including remote access, for the purpose of diagnosing, repairing, or servicing the machine or its components. RE will not be responsible for any costs incurred resulting from software updates and/or diagnostics to a modified system. RE and its employees may operate the above machine for the purposes of inspection, testing or delivery at my sole risk. I agree to pay cash prior to redelivery of the machine or on terms satisfactory to RE until paid in full. Registration of a commercial lien is acknowledged on the above machine to secure the amount of repairs thereto. It is understood that RE assumes no responsibility for loss or damage by theft or fire to any machine placed with them for storage, sale, repair or while field testing. Special order and electrical parts are not returnable. Any stocking parts returned after 30 days will be subject to a 15% restocking charge. RE cannot accept any part returns on weekends or after hours. Part returns are not accepted after one year from the original invoice date. All part returns require the original invoice and packaging. No title passes on purchased machines until the applicable invoice is paid in full. 2% per month will be charged on all overdue accounts (24% per annum). Parts & Service are net 30 days. Whole goods and rental payments are due on delivery.

I hereby authorize the above work to be done along with the use of any necessary materials. I agree that Redhead Equipment ("RE") may access and utilize any electronic data stored or available on the machine including remote access, for the purpose of diagnosing, repairing, or servicing the machine or its components. RE will not be responsible for any costs incurred resulting from software updates and/or diagnostics to a modified system. RE and its employees may operate the above machine for the purposes of inspection, testing or delivery at my sole risk. I agree to pay cash prior to redelivery of the machine or on terms satisfactory to RE until paid in full. Registration of a commercial lien is acknowledged on the above machine to secure the amount of repairs thereto. It is understood that RE assumes no responsibility for loss or damage by theft or fire to any machine placed with them for storage, sale, repair or while field testing. Special order and electrical parts are not returnable. Any stocking parts returned after 30 days will be subject to a 15% restocking charge. RE cannot accept any part returns on weekends or after hours. Part returns are not accepted after one year from the original invoice date. All part returns require the original invoice and packaging. No title passes on purchased machines until the applicable invoice is paid in full. 2% per month will be charged on all overdue accounts (24% per annum). Parts & Service are net 30 days. Whole goods and rental payments are due on delivery.

REPAIR FEEDER WEAR STRIPS

CUSTO COMPLAINT

REPAIR FEEDER WEAR STRIPS

CAUSE:

found the feeder wear strips were worn on inspection.

CORRECTION:

the feeder house wear strips were a conversion kit from a three strand chain to a four strand chain.

disconnect feeder chain.

remove the outer two strips from under side of housing and install two new strips.

had to drill out rivets on the two center wear strips, remove old strips.

to install new strips i had to drill new holes and tap threads in to the frame then install and secure the strips with m 8 bolts.

remove the strips on the transition door and install new

I hereby authorize the above work to be done along with the use of any necessary materials. I agree that Redhead Equipment ("RE") may access and utilize any electronic data stored or available on the machine including remote access, for the purpose of diagnosing, repairing, or servicing the machine or its components. RE will not be responsible for any costs incurred resulting from software updates and/or diagnostics to a modified system. RE and its employees may operate the above machine for the purposes of inspection, testing or delivery at my sole risk. I agree to pay cash prior to redelivery of the machine or on terms satisfactory to RE until paid in full. Registration of a commercial lien is acknowledged on the above machine to secure the amount of repairs thereto. It is understood that RE assumes no responsibility for loss or damage by theft or fire to any machine placed with them for storage, sale, repair or while field testing. Special order and electrical parts are not returnable. Any stocking parts returned after 30 days will be subject to a 15% restocking charge. RE cannot accept any part returns on weekends or after hours. Part returns are not accepted after one year from the original invoice date. All part returns require the original invoice and packaging. No title passes on purchased machines until the applicable invoice is paid in full. 2% per month will be charged on all overdue accounts (24% per annum). Parts & Service are net 30 days. Whole goods and rental payments are due on delivery.

REPAIR CLEAN GRAIN ELEVATOR

CUSTO COMPLAINT

REPAIR CLEAN GRAIN ELEVATOR

CAUSE:

Bubble up auger gear box seized up causing the clean grain
no where to go and snapped the top inside sprocket off the
top shaft.

CORRECTION:

removed the elevator bottom cover to unplug the elevator.
removed the bottom cross auger cover to unplug. once i got
all the canola out from being unplugged i was able to turn
things over. removed the elevator chain from the housing.
removed the top cover, removed the lock collars on the top
shaft. roll pin would not drive out of the shaft so had to
torch the shaft. removed the shaft, replaced the shaft,
bearings, top sprocket, inner sprocket. installed the new
shaft and top sprocket. set it into place, put bearings and
lock collars into place. installed the new inner sprocket
and installed new clean grains drive chain. re installed
elevator chain and tensioned. put all covers back on

I hereby authorize the above work to be done along with the use of any necessary materials. I agree that Redhead Equipment ("RE") may access and utilize any electronic data stored or available on the machine including remote access, for the purpose of diagnosing, repairing, or servicing the machine or its components. RE will not be responsible for any costs incurred resulting from software updates and/or diagnostics to a modified system. RE and its employees may operate the above machine for the purposes of inspection, testing or delivery at my sole risk. I agree to pay cash prior to redelivery of the machine or on terms satisfactory to RE until paid in full. Registration of a commercial lien is acknowledged on the above machine to secure the amount of repairs thereto. It is understood that RE assumes no responsibility for loss or damage by theft or fire to any machine placed with them for storage, sale, repair or while field testing. Special order and electrical parts are not returnable. Any stocking parts returned after 30 days will be subject to a 15% restocking charge. RE cannot accept any part returns on weekends or after hours. Part returns are not accepted after one year from the original invoice date. All part returns require the original invoice and packaging. No title passes on purchased machines until the applicable invoice is paid in full. 2% per month will be charged on all overdue accounts (24% per annum). Parts & Service are net 30 days. Whole goods and rental payments are due on delivery.

CUSTO COMPLAINT
REPAIR ENGINE SQUEAL
CAUSE:
when revving the engine up there would be a high squeal
coming from the engine bay, removed the engine covers,
checked the engine drive belt and pulleys all seem'd well.
checked ac belt and pulleys and were good. checked the
engine fan drive belts and the tensioner pulley bushings
had lots of play. removed the belts and ran the combine and
no squeal occurred.
CORRECTION:
removed the tensioner arm from the pulley, removed the snap
ring holding the arm in place. worked the pulley off of the
shaft and brought down. checked the shaft its self and
