Thank you for making a positive contribution to the quality of our air by maintaining this vehicle and meeting vehicle emissions standards. Take this report to renew registration and/or transfer ownership of this vehicle. An emission test pass is valid for 12 months from its date of issue.

It is an offence to remove, disconnect, alter, or bypass any emission control system or device including the on-board diagnostic system. The emission control system or device must be installed, maintained and function as intended. Every vehicle is subject to on road inspection and enforcement.
